Aevitium's Expert Services

Aevitium LTD helps organisations to navigate complex regulatory and risk landscapes. Our expert risk and compliance consulting services empower businesses to focus on what they do best - pushing the boundaries of innovation and delivering outstanding services to their clients and customers - while we ensure that they remain compliant with industry regulations and set on a sustainable growth path.

Strategic Enablement

See page 3

Align your risk and compliance activities to your business strategy and focus on the optimisation of your firm's resources (capital, liquidity, technology, etc) to ensure that your firm is well-positioned for success

Policy & Frameworks

Assess, (re)design, roll-out, and embed fit-for-purpose and proportionate risk frameworks, policies and governance to help you to proactively identify and manage risks and to operate safely and efficiently

Transformation

Transform your risk and compliance capabilities and culture, focusing on alignment of capacity, capabilities, innovation and psychological safety

Risk Outsourcing

See page 4

Provide you with cost effective risk & compliance management outsourcing solutions based on your needs and priorities through our Risk Management as a Service Solution

Advisory

Act as an advisor to Board and Executive Teams on risk and compliance matters, through strategic guidance, training and support to help you to make informed decisions

Regulatory Compliance

Guide you through the complexity of the regulatory landscape, regulatory approval process and regulatory delivery to enable compliance by design and to ensure that your firm becomes and stays compliant and avoids costly penalties

Solutions

See page 6

Focus your internal change and delivery on pro-active and innovative solutions and bring to market disruptive solutions working in collaboration with tech prodigies and designers

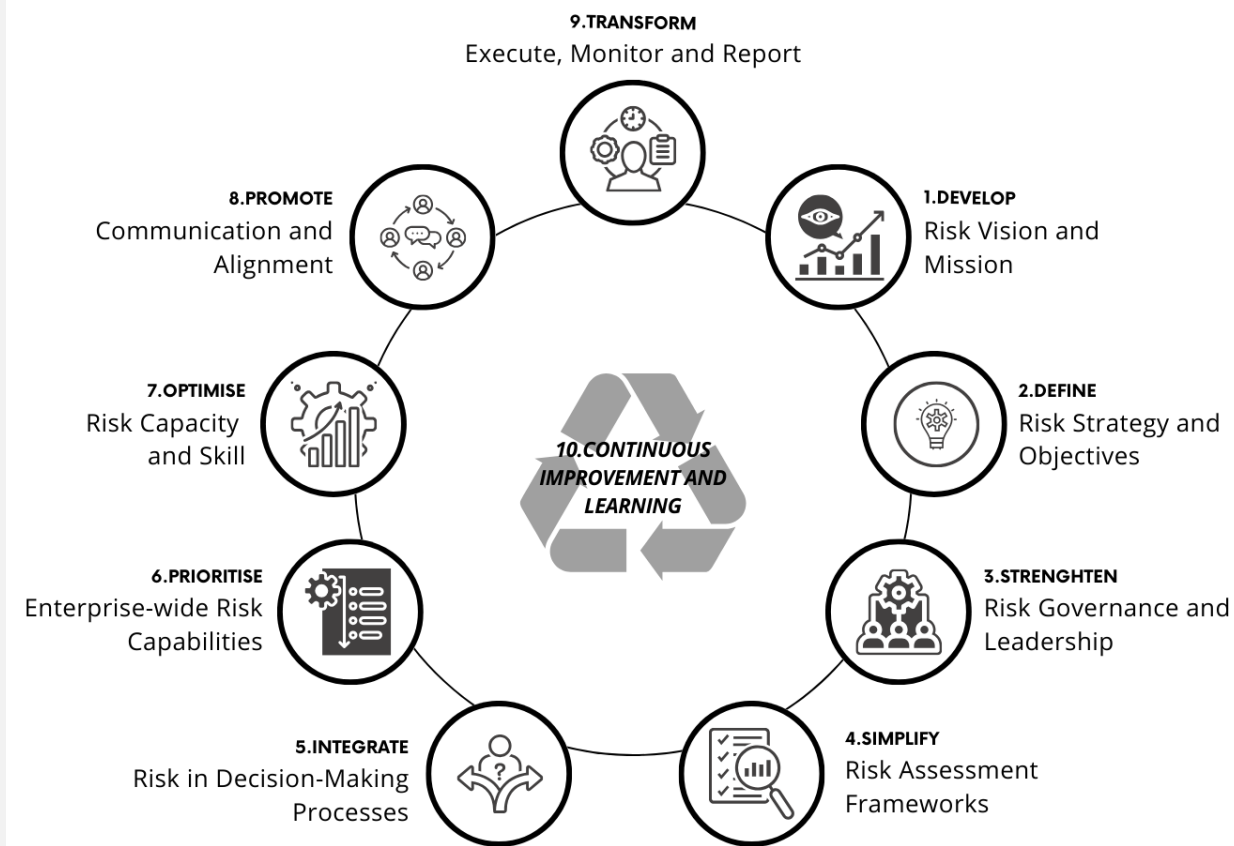

Trainings

Deliver risk and compliance training and educational material

Aevitium LTD's **Integrated Risk Framework** is designed to unlock both **strategic and operational management of risks**, driving value creation, effective risk taking and optimisation of risk resources across your organisation. This 10 steps **modular and approach** delivers ambitious yet targeted **solutions**, fostering **critical thinking** and guiding your people through a **transformative journey**.

Opportunity		Reinforce your risk capabilities to drive risk based strategic decisions and maximise business value creation
Objective		Elevate your organisation risk management to strategic excellence while optimising enterprise-wide risk resources
Deliverables		<ol style="list-style-type: none"> 1) Risk vision and Strategy (items 1,2) 2) Risk framework assessment (items 3-7) 3) Implementation roadmap and communication plan (items 8-10)
Engagement		<ul style="list-style-type: none"> - Operate as an extension to your team, focusing on coaching and empowerment - End-to-end enterprise-wide assessment takes 10-15 weeks, customised to your organisational size and complexity - Support or lead findings implementation, driving lasting impact and continuous improvement

In today's fast-paced business landscape, staying ahead of risks is paramount.

That's why Aevitium LTD offers risk management as a service, freeing you from the burden of navigating complex uncertainties while enabling you to effectively manage your cost base.

By partnering with Aevitium LTD, you can focus on what you do best while our fractional risk experts handle your risk management needs with precision and professionalism.

What My Clients Say

"Julien was expert and patient in translating a jumble of fragmented thoughts into a clear and eloquent vision and thoughtful and perceptive mission statements, drawing on his own extensive experience while appreciating the nuances of our firm"

Head of Risk, Asset Management

"Julien Haye were standout sessions, in terms of audience numbers, participation, and quality of content covering top challenges facing senior finance leaders"

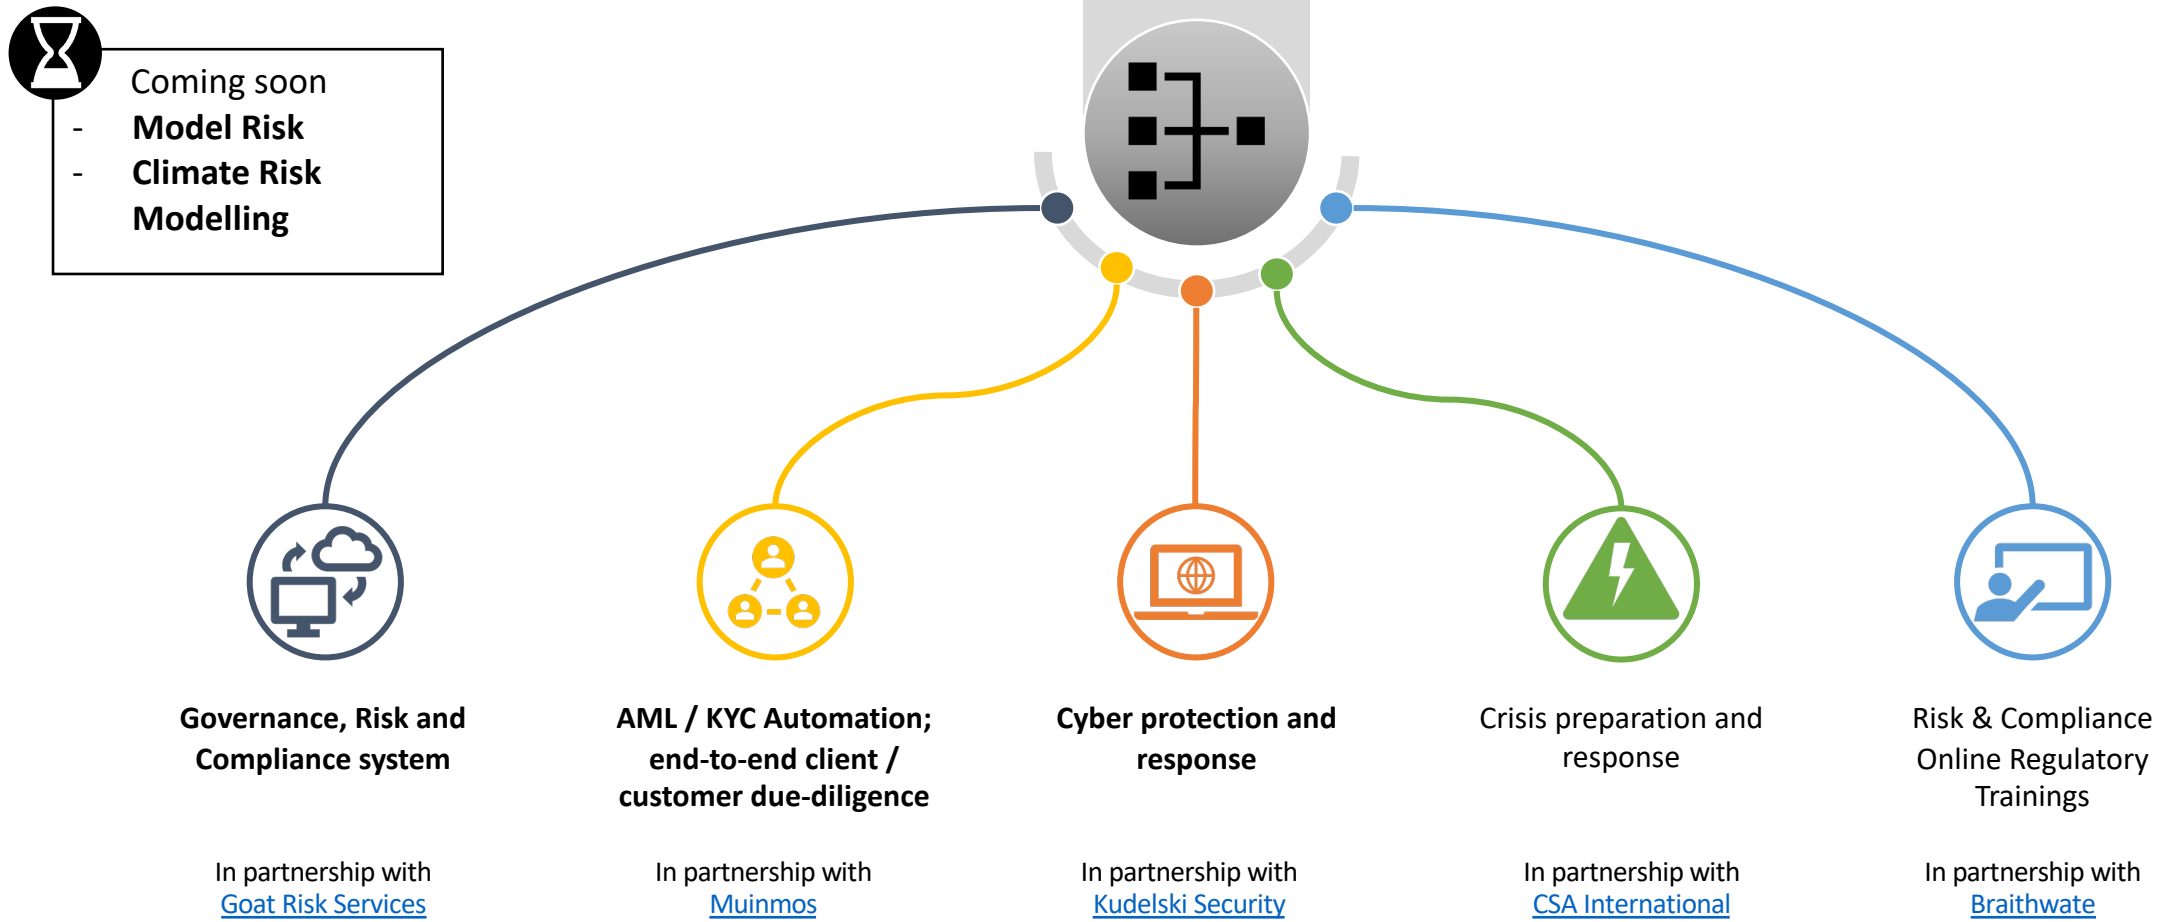

Arusha Phunwasi - Senior Producer at CFO Executive Dialogue

"Thank you as well for your fantastic presentation at the training course this week- I personally really enjoyed your session and thought you were extremely engaging with the audience and gave ample opportunity for questions and discussion which is great; I'm sure the participants would agree too"

Katelyn Zdunek / Training Course Producer at Risk.net

I believe in providing holistic solutions to the challenges you face. I have access to an extensive network of specialist organisations and experts to bring to you innovative and cost-effective risk and compliance solutions.
